Why should we be in such  
desperate haste to succeed  
and in such desperate enterprises?  
If a man does not keep pace  
with his companions,  
perhaps it is because he hears  
a different drummer.  
Let him step to the music  
he hears,  
however measured or far away.

Henry David Thoreau

It is easy in the world to follow the world's opinions; it is easy in solitude to follow our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude.

*Ralph Waldo Emerson*

Do what you want to do  
Be what you want to be  
Look the way you want to look  
Act the way you want to act  
Think the way you want to think  
Speak the way you want to speak  
Follow the goals you want to follow

Live according to the truths within yourself

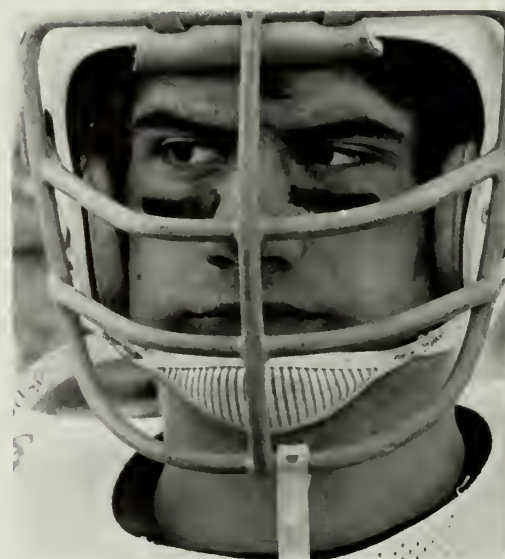

*Susan Polis Schutz*

We must not make the past the only light for the ensuing years. A new leaf must be turned and new ideas read. We must hear things that have never been heard before. Thus will a new world arise.

*David Polis*

Do not follow where  
the path may lead.  
Go, instead, where  
there is no path  
and leave a trail.

*Anonymous*

Far away there in the sunshine  
are my highest aspirations. I may  
not reach them, but I can look up  
and see their beauty, believe in them,  
and try to follow where they lead.

*Louisa May Alcott*

## ONE LAST TIME

We stand on the edge of tomorrow  
with yesterday's friend by our side  
and watch our todays fall away  
like the petals of a blossoming bud  
and yesterday's friend says, "Let's not,  
just one last time."

But, underripe, the bud is bared,  
today's protection having passed,  
and yesterday's friend sheds his t-shirt  
and I crumple my paper cup  
hoping the world will hesitate  
awaiting our turn.

So we fix our smiles in the mirror  
(with practice we'll get it right)  
and sign, with a slight reservation  
our promise to find our purpose  
as we stand on the edge of tomorrow  
just one last time.

Meredeth Beers  
June 1977

## IN OUR TIME

A heavy load, an endless road  
We walk  
Knowing not where it leads  
A heat haze shimmering our dreams  
As we go.

We fight our fear, with just fate to steer  
Our quest to know  
The who, the why, the where  
Of ourselves.

Fear melts, cold rain pelts  
Our covering spirits.  
We sigh in our aloneness  
We cry in hollow emptiness  
In our time.

Another step taken, sun's warmth awakened  
We climb  
And see, and laugh, and love  
Each other.

Beneath a star-kissed sky  
In mountain clover we lie and hear  
A sea swept breeze  
Whispering softly through the trees  
That in our time  
We will know.

*Nothing Gold Can Stay*

*Nature's first green is gold,  
Her hardest hue to hold.  
Her early leaf's a flower,  
But only so an hour.  
Then leaf subsides to leaf.  
So Eden sank to grief,  
So dawn goes down to day.  
Nothing gold can stay.*

To all of us who knew Brian well, gold is the absolute least we could use for comparison. We all miss him greatly—in our prayers he will remain.

# CLASS HISTORY

## FRESHMEN

Our freshman year was one of great change for us. In September of '73, we arrived at the high school. Fresh out of junior high we were immediately amazed by our new-found "freedom." Smoking was finally "legal" in the court-yard, music was provided in the mezzanine, and we even had studies that weren't assigned!

We began building our treasury with a magazine drive that proved to be a great success due to the hard work of President Marilyn Reddish, Vice President Linda Fabiano, Secretary Katie Quynn, Treasurer Nancy Fabiano, and the entire Class of 1977.

We hosted Harris Stylianou as our American Field Service guest from Cyprus that year, and the annual AFS International Dinner was established.

In sports, our freshman year was a year of firsts. A new sport was introduced to Westwood High—soccer, and another new sports highlight destined to become a tradition was Tuc's football camp. The girls also got into the football scene with "Powder Puff Football", and although there were no victories, the team had a lot of fun and raised almost \$100 for the AFS Club.

"Guys and Dolls", the school's second musical, proved to be a smashing success as for a short time we experienced the excitement of the Roaring 20's.

Freshman year was a fun one, but we must admit that after a long year of being at the bottom of the totem pole, we were happy to join the ranks as sophomores.

## SOPHOMORES

Our sophomore year was full of fun and excitement. We also had an outstanding team of class officers—some of whom are still in office. For our President we had the one and only Steve Harrington, our Vice President was Linda Fabiano (she's the one with the dot). Then for Secretary we had Katie Quynn, ya'll know who we're talkin' about—(she's the one with the funny accent). And last but not least, the Treasurer—Nancy Fabiano. We were really surprised at the outcome of this election because it was rumored that she was still in fifth grade math at the time?!

Now for the list of exciting events: For a start we made some profit on candy sold at the basketball games. Then there was our well-attended Celtics game—

We had an outstanding group of visitors: Tom Ellis and Len Berman from Channel Four News, and Father Robert Drinam, Member of Congress.

Our AFS exchange student was Hans Lundkvist from Sweden.

The school newspaper, Sacred Cheese, was awarded top school newspaper awards in the Northeast Tri-State Conference.

Well, that was our sophomore year as we left for summer vacation looking forward to becoming members of the upper class, and a JUNIOR.

## JUNIORS

As we became upperclassmen more responsibilities were piled on our shoulders. We were hit with the "New Deal Alphabet" which consisted of N.M.S.Q.T's, S.A.T.'s, A.C.T.'s and T.A.P.'s. The majority of us spent at least one semester with Mr. Parker from whom we were taught the "options" of the automobile. Junior year we also witnessed the spreading of the "Barry Cullen Westwood Lingo Epidemic." Take your beating Barry!

Under the leadership of our female officers: President, Kerry Nee; Vice President, Linda Fabiano; Secretary, Paula MacDonald; and Treasurer, Nancy Fabiano, we advanced from a threatening financial situation to one which was quite comfortable. We obtained much of our funds from the continued concession stands at the basketball games, candy sales and of course the persistent dues drives. As a result we took a class trip to Horseneck Beach. Our school musical was "Oklahoma."

The highlight of our year was the Prom, held at Blue Hills Country Club with the theme "Knights in white Saturn." Steve Harrington's advertisement for a prom date evidently fell through.

We were privileged to have hosted our AFS student Ewald Filler from Austria and Mari Tsuda from Japan. Leaving Westwood in the AFS program were Karen Moses, who traveled to Switzerland, and Bill Rogers, who spent a summer in Columbia.

In sports we were awarded the Dalton Trophy for our outstanding athletic record; as the girls' swimming, winter and spring track, and the basketball teams were all undefeated.

With all this activity in the past and as the symptoms of "senioritis" began, we concluded the bicentennial year at Westwood High.

## SENIORS

Senior year at last! We've made it to the top. Four years ago as freshmen we would never have believed that it could finally happen, and so quickly. A closeness to each other which wasn't apparent in earlier years suddenly came together for the class of 1977. It's been our last year, and each of us has been determined to make it the best.

The fall found many of us rushing to meet deadlines, as the sudden realization of college hit us. SAT's were frantically taken again and again, in an attempt to raise our scores. We enjoyed our last season of football, as Tuc and our senior boys put up a great effort against Holliston on Thanksgiving Day. We also enjoyed our first class activity — breakfast at Mary Hartigan's, which the majority of our class attended.

As the winter rolled around, preparations began for the class play, "Deadwood Dick." Our class had the largest turn-out ever for a senior play. Surrounded by fantastic barroom scenery, the true characters of many of our classmates emerged. Certainly the performances by Kerry Nee as "La Paloma," and Greg White as "Pong Ping" will long be remembered. Steve Boyle and Peggy Atkins pulled through with parties in a near-desperate situation.

1977 was a big year for basketball at WHS. Both the boys' and girls' teams made it to the state tournaments, and the girls' team broke a record by winning 73 straight games. Congratulations, also, to Nancy Fabiano and Steve Harrington who reached 1000 points in their careers. Perhaps the players were spurred on by shouts of "F-0" and "3-5."

As winter came to an end, the senior class saw its last musical, "South Pacific." Memories of Duane Sullivan will stay with us for a long time! The banquet, with the theme "Sunrise, Sunset" was a great success under the direction of Mr. Beurman and Mr. Milan. The dance band sounded great as deserving seniors were awarded class superlatives. Later that night the Honolulu was grateful (?) for our patronage.

April found many seniors living a day-to-day existence, as the rush to the mailbox began. Slowly the acceptances came in and we had to make decisions that would effect the next four years of our lives. We really knew we were seniors when we were measured for our caps and gowns, and as course selection sheets for next year were filled out without us. The boys vs. girls hockey game was a lot of fun for everyone as the girls finally tied the boys at 2-2. April also found a small group of seniors leaving the states and heading for Bermuda for a very **restful** vacation.

Most seniors will agree that although the whole year has been great, that the past month of May has been the

best. Shouts of "Caring" and "We're out of here" filled the halls early. We finally gained the finances needed for our activities through Linda's reacquiring the donut program, and the final collection of class dues. Our plans for senior skip day at Sandy Neck Beach were held off a week as we received snow in May, but it was a day to be remembered by all. (Some more than others). The next day's red eyes were definitely a result of too much studying.

This year's prom was held at Sydney Hill Country Club, and the band was finally able to play the theme song, "We're All Alone." Debbie Scibilia looked beautiful as our queen, as she and her court reigned over the night's activities. Another highlight occurred when Sylvester Stallone entered our school, disguised as Ray Devasto. What a surprise when Ray won WVB's Rocky look-a-like contest. The class of 1977 will always be remembered for its class pranks, including the day we entered the upstairs courtyard to find pumpkins representing each teacher, lined up along the roof.

Our last class activity at Crane's Beach will long be remembered. Under sunny skies we ate lobster and chicken, while listening to great stereo sounds from Billy Cannata's speakers. A famous scene will always be Mr. Walsh being thrown into the water surrounded by 10 girls!

This year our senior class was lucky enough to have three foreign students instead of just one, as in previous years. Ana Lucia Castro, Asa Svenson and Memo

Gutierrez proved to be three of the friendliest members of our class.

Our class would like to thank all those people who helped us to grow and learn during our four years at Westwood High School, and particularly this year we must thank Mr. Donald Beurman, who gave us his time and guidance, and never gave up on us; and our class advisors, who without them so many things would not have been possible. This year our officers were:

Steve Harrington — President  
Linda Fabiano — Vice-President  
Katelyn Quynn — Secretary  
and  
Nancy Fabiano — Treasurer

Now that our high school years are over, we can look back fondly on our memories and experiences, and hope that we've learned enough about ourselves to handle what's ahead, — because the future is ours.

# GUIDANCE

In an age of changing views and ideals, one often finds himself turning to others for help and guidance. We at Westwood High are very fortunate to have such a competent Guidance Department. The counselors meet with students in every grade to aid in the process of course selections and discuss various plans for the future.

All of the counselors deserve a round of applause from the Class of 1977 for their long hard labor on all of those transcripts for colleges!

## ENGLISH

The English Department, under the direction of Miss Frances Burns, has been known for years for its record of turning out students well educated in the English language. However, the English Department is also involved in many other student activities. Mrs. Eberly advises a large staff in the production of "No Parenthesis," our literary magazine, while Mrs. Booras continues her fantastic theatrical direction, including the senior class play, "Deadwood Dick," and the hit musical, "South Pacific." The English Department also sponsors field trips to movies and films.

#### HOME ECONOMICS

The Home Economics Department offers a medley of courses to satisfy the desires of both the male and female student. The large enrollment of boys in bachelor foods and gourmet foods throughout the past few years has led to the realization that boys can cook too. The girls, under the direction of Miss Knight, Mrs. Burke, Mrs. Arnold, and Miss DesPres have been offered courses from basic cooking and sewing to foreign foods to advanced tailoring. The family living and child growth and development classes continue their volunteer program of assisting in the elementary schools.

Miss Marguerite Knight

# SCIENCE

The Science Department curriculum offers a wide range of courses extending from the introductory to the advanced placement level. In biology, chemistry, and physics students may select courses that allow them to proceed at their own rate under the teacher's supervision. An independent study course permits a student to experiment and research a personal interest. Several field trips were arranged throughout the year to supplement both laboratory and class work.

Under the direction of Coach Elizabeth Rice, the varsity field hockey team had their most successful season in many years with a 2-3-4 record. The squad was quite talented with three Patriot Ledger All-Stars: Chris Dion, Co-Captain Nancy Fabiano, and Jackie MacMullan.

The junior varsity team enjoyed a great season. Led by Co-Captains Maureen McDonough and Lisa Sigmund, the team ended their season with a final record of 3-4-1 under the dedicated coaching of Doreen Quintiliani.

The Westwood High Cross Country team bettered their last year's mark of 5-2 with a 6-1 record. Spurred by tough practice at the New England Cross Country Camp, the team finished with their best year yet. The squad, led by Greg White and Peter Dressens, presented such greats as Paul Powell, Jay Messina, and Steve Boume. The team would like to thank Mr. Fischler for his help in shaping the team up.

# BASKETBALL

Once again the Wolverine hoopsters continued their winning tradition. The team, under the guidance of Coach Thwing and leadership of Co-Captains Steve Harrington and Todd McGrath, won the league championship for the first time in Tri-Valley competition. The squad qualified for the tournament for the seventeenth time in nineteen years. Among their greatest triumphs were the two victories over arch-rival Medfield and a thrilling 54-48 win over Holliston in the first round of the tournament.

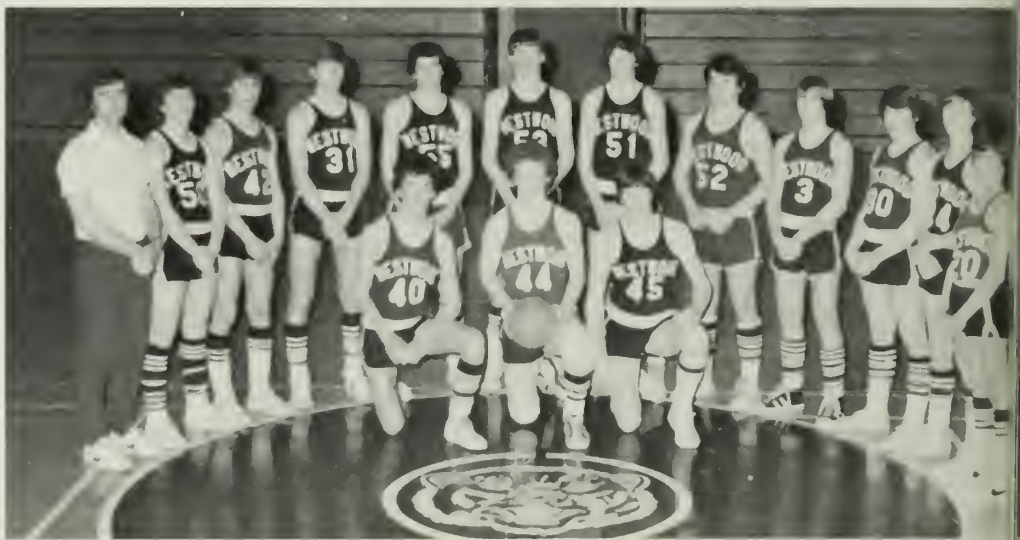

This year's team was comprised of mostly seniors. Tod and Steve were both selected to numerous All-Star teams. Steve became the fourth player in the school's history to score 1000 points. Carl Lindenmeyer and Gordie Hall provided the greatly needed muscle under the boards. Mike Bennet and Joe Tavalone started games and also came off the bench to provide additional scoring punch. Their shooting and quickness pulled out many victories for the Wolverines. Jeff North was the team's most consistent rebounder.

With some strong juniors returning, and Coach Bonn's undefeated junior varsity coming along, Westwood should continue its winning tradition for the next several years — AT LEAST!

## GIRLS' BASKETBALL

The girls had another outstanding season finishing with a record of 20-0. The team was co-captained by seniors Mary Love and Nancy Fabiano. Under the guidance of Coach Delaney-Smith, the team went to the finals of the State Tournament. The squad also set a new national record of 73 consecutive league wins. Nancy Fabiano, who was sidelined for most of the season with a knee injury, scored her 1000th career point.

Coach Doreen Quintiliani, making her debut as a basketball coach, did an excellent job with the JV team. The JV's finished with a record of 18-1. Co-captains for the team were Betsy Derwin and Anne Marie Kelly. Both teams are looking forward to a great season next year.

## GYMNASTICS

The Varsity Gymnastics Team ended their season with the highest team average in the league and a record of 3-1. Holliston edged the Wolverines out of the league title by one fourth of a point. Coach Rice did a great job coaching her young team. Gymnasts from Westwood placed in the top ten in the league in every event. In the floor exercise, Anita Murphy placed number one in the league

— followed by Leslie Ferraro, Lauren Hill, and Lisa Cappuccino. In vaulting, Anne Montgomery placed fifth in the league. Leslie Ferraro placed first on the uneven parallel bars and the balance beam.

The gymnastics team looks forward to another successful season next year as the team is young and loaded with enthusiasm.

## SOCCER

This year's soccer team enjoyed its best season ever — finishing with a record of 9 wins and 4 losses. Among these victories were thrilling wins over Medfield and Concord Academy. They closed out the year with the greatest victory in Westwood's history, a 4-1 victory over first place Medfield. The team was led by tri-captains Steve Harrington, Barry Cullen and Rod Proccacino. Each of these seniors was elected All-Stars. Jeph Garside, the senior goalie and Neil MacLellan, a fullback made great contributions throughout the year. For these five seniors it was truly an outstanding season that they will never forget. With a strong nucleus returning, the winning ways should continue for sometime.

The field events were led by Don Stewart and Jeff Jarvis. The team competed in the class D States and faired very well, placing second. Next year's team looks like a league winner. Good luck, Coach Sanfo and Coach Tuce!!

The majority of the team consisted of underclassmen which will keep the team strong for the next few years. The girls put in a great effort this year and came out with many new team and league records.

Despite their small numbers, the 1976-77 swim team had their most successful season ever. The move to the Southern Conference brought the stiffest competition the team had seen in years. However, they were more than equal to the task with six school records, three Conference All-Stars, and two honorable mentions for All-Scholastic. The boys earned the respect of other towns in the league as well as their own. Team Captains were Mark Vartabedian, Bob Olson, and Jim Supple.

The high point of the season came at the final meet. Slated to lose, the boys upset a strong Milford team. This upset victory gave them a tie for second place in the conference.

Sandy Friedl, Fuzzy Flynn, the 400 free Relay and our two superb divers, Maura and Lisa gave the team 56 points to place 8th in the Mass State Competition. Maura Casey placed first while Lisa Ferraro followed her, placing second in the State. The 1977 Girls' Tennis Team had a very successful season under the direction of Coach "Proc" and Co-Captains Karen Moses and Lisi Sesnovich. The strength of the squad is best measured by its 14-2 record for the season. Nancy Procaccino became the number one singles player in the league when she defeated a tough Dover competitor. Senior Paula McDonald was surely missed when she was sidelined with a broken bone in her foot. The team missed her competitive spirit.

As luck would have it, the tennis team drew a notorious Newton-North team for the first round of the State Tournament and thus eliminated from further competition.

The team thanks Mrs. Procaccino for all her time and efforts in making Westwood a winning team with a great spirit!

The Varsity Softball Team ended their season with a record of 4-12, under the coaching of Paula Hillberg and Captains Mary Love and Barbara Bonner. During tryouts the team picked seemed to be one of the strongest ever. However, due to a plague of injuries, the girls really never got completely together. Seniors to be missed next year are: Bar-

bara Bonner — Co-Captain and outfielder who has played on the varsity squad for four years; Mary Love — Co-Captain, catcher, and outfielder who has been with the squad for four years; Chris Dion — second base and shortstop for four years; Kathy Love — outfielder, JV player for three years and varsity in '77; Tricia McCarthy — outfielder, two years on the JV and two years with the varsity; and Mary Burke — pitcher, a JV player for three years and senior year with the varsity.

The biggest game of the season was the victory over Bellingham. At that time, Bellingham was tied for the league championship but the Wolverines put an end to their championship hopes.

## BASEBALL

Captains Barry Cullen and Joe Tavalone led the varsity squad to a good 9-9 over-all record and a 9-7 league record. This includes the impressive 6-3 win over Hopkinton. The boys would like to thank Coach Russell Downes for his contributions towards an exciting and fun year.

# DEADWOOD DICK

Bang! I think I've been shot, but I'm not sure yet ... Oh, LaPaloma! ... a cast party in the mezzanine? ... birdcalls ... Hey Jude ... Steve's ... where's Ray? ... Have you noticed how things keep getting later and later ... oh dammit, she fainted! ... shuffle, Pong Ping! ... Who is Deadwood Dick? ... That was so much fun ... Thanks to Mrs. Booras.

## CHEERLEADERS

The Wolverine varsity cheerleading squad had a fantastic year cheering for both the boys football and basketball teams. The girls put in many hours of practicing which led to a very memorable year.

"P.D.Y.U", The mistake ... "Oh, Ted!" ... "What time are we going to be here?" ... "My head is aching—my skirt's too tight" ... "Jeff, turn it up" ... Bells on their toes ... "I feel so-o-o bad!" ... "Wear your UNI!" ... the clipboard ... "Reasons" ... "railroads" ... "Marilyn, what are we doing?" ... "I had to blow dry my hair" ... "I'm sorry I'm late!"

**LEAN TO THE LEFT, LEAN TO THE RIGHT.  
STAND UP, SIT DOWN, FIGHT! FIGHT! FIGHT!**

Missing sweaters ... No room in the Westwood Rink ... bus beatings ... Keefe Tech boys ... Malicious Millis Cheerleaders ... Karen and Ellen's lonely bus ride ... missing the bus ... "Do It Again!" ... Backside Restaurant ... "Louder!" ... "We just beat the whoopee out of you!" ... "Jump and jive, look alive!" ... "Whose birthday is it now?" ... The Hockey Cheerleaders, led by Co-Captains Mildred Hanlon and Sue Ballentine, had a great season cheering for the successful team. A big THANKS to all who supported hockey this past season.

## NO PARENTHESIS

After a lot of time and effort, the forty-member editorial staff of No Parentheses — the school creativity magazine — selected the material for the 1977 issue. This year's Editor-in-Chief, Deanie Pearce, and Faculty Advisor, Mrs. Eberly, had the much-appreciated cooperation of all. This is evidenced by the quality of their final product. The staff feels that this year's publication voices the thoughts and honors the best efforts of a cross-section of students whose accomplishments deserve recognition.

This year's Student Council, under the leadership of Lisi Sesnovich, Deanne Pearce, Gretchen Hoffman, and Ellyn Kusmin, had a successful year.

The Council sold "Mean Green" buttons, Wolverine pennants, and WHS hats throughout the year at selected sporting events. They held a very profitable school-wide dance and raised money for the dance band by sponsoring a prosperous student-faculty basketball game.

The Student Council provides a meaningful source of leadership, service, and direction to the entire school. The membership thanks Miss Bolles for all her time and assistance.

## STUDENT ADVISORY BOARD

Members of the Student Advisory Board worked on a variety of projects this year including: the media center booklet, the teenage drinking problem, the newspaper, the Metco program, the doughnut program, and the senior alternatives program.

Chairpersons Deanie Pearce and Meredith Beers hope the board will be able to function without them!!

Left to right: B. Brady, M. Beers, D. Pearce, J. McCafferty.

## REGIONAL ADVISORY COUNCIL

Meredeth Beers and Lisi Sesnovich, respectively delegate and alternate to the Regional Advisory Board, attended meetings once a month in downtown Boston. The long and lively meetings were followed by lunch at a restaurant of their choice on the school department. The enjoyment of the meetings were only surpassed by the enjoyment of a day off and a good free meal.

Meredeth Beers and Lisi Sesnovich.

## MISCELLANEOUS

The National Honor Society concentrated on service this year, illustrated by such projects as the Toys for Tots drive, the English Career Day, and the Senior Citizens concert. Memorable events include the trip to Walden Puddle and the journey to Newport.

Despite the fact that there were only two boys, members had a good time at events like the progressive dinner and the cookout at the beach.

Officers Meredith Beers, Linda Blum, Karen Moses, and Cathy Friedl would like to thank their Advisor, Miss Dillon, and all the members for their co-operation and dedication to the organization.

## AMERICAN FIELD SERVICE

Under the guidance of Mrs. Virginia McCoubrey this year's American Field Service Club had another exciting and profitable year. Westwood High School was fortunate to have two exchange students this year. Anna Lucia Castro from Costa Rica and Asa Svensson from Sweden. Both had an enjoyable and educational year. These two students will be sorely missed when they leave us after graduation. Two students graduating with the class of 1977 also had the opportunity to travel abroad with the A.F.S. last summer. Karen Moses spent the summer in Switzerland while Bill Rogers spent his in Columbia.

Financially, the club had its best year ever. The annual A.F.S. international dinner was a huge success. The club also sold Christmas cards, and had a fun week of "penny-pitching." A spring garage sale also contributed to the treasury. Once again, however, the tremendous success of the annual Magazine Drive by the freshman class provided the bulk of financial support.

The main objective of the A.F.S. is to bring people together from different cultures and to spread peace throughout the world.

# MARCHING BAND

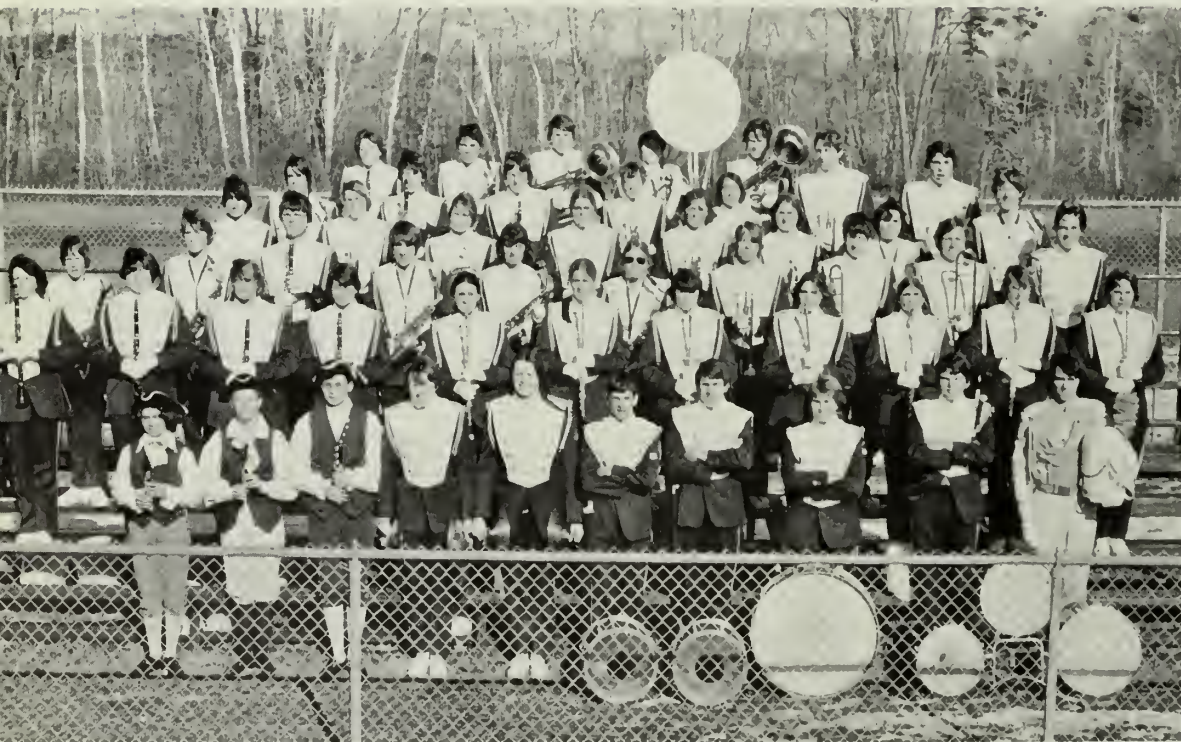

The Mean Green Westwood High School Wolverine Marching Band developed the reputation of being one of the finest marching units in the area. A change in the format of the show was brought about by Mr. Bonaiuto. The change made Westwood a real threat in competitions.

Mr. Bonaiuto arranged the show, Mr. Strachan coordinated it to marching maneuvers, and Mr. Tobin created a "cool" drum line. The show was made up of five numbers and a reprise. Included were: Shaft, Chester, Rally-Round-the-Flag, a unique arrangement of Yankee Doodle, Feelings, and Conquest.

Student leaders of the band were: President Sue

Dettbarn, Vice-President Craig Madge, Secretary Robin Mackey, Treasurer Jean Hildebrant, Librarians Ellyn Kusmin and Katie Cook, Publicity Director Mary Nolan, and Drum Major John Sullivan.

The band participated in many shows and competitions in addition to the weekly football games. Performances included: the Somerset Musictown Festival III, the Somerville Band Show, the Bay State Marching Competition, the Massachusetts State Competition, and numerous parades. The parade highlights were a five-mile parade in Peabody, and the Quincy Christmas Parade. The Memorial Day Parade and the Westwood Day Parade completed a great season of marching.

Under the direction of Mr. Markarian, the Westwood Concert Band once again enjoyed a great season. The year was highlighted by a successful exchange with Winthrop High School in Maine.

The last week of April brought the annual Spring Pops Concert. The audience proved to be the largest in years. MacArthurs Park and Instant Concert were greeted enthusiastically by the crowd.

Next on the agenda was an Exchange Concert. The Winthrop Rambler Band of Winthrop, Maine visited Westwood in May. A

dance and pizza at the Gardens helped the Winthrop and Westwood musicians to become friends.

One week later the Westwood Wolverine Band journeyed five hours to Winthrop, Maine. The bands spent Friday night at a dance which proved very successful. Saturday, despite clouds, was spent at the Y Camp on one of the Winthrop Lakes. A softball game and a cookout were the highlights of the day. The concert on Saturday was followed by a party at Winona's. This ended a great year.

## ORCHESTRA

Under the direction of Sebastian Bonaiuto, the Westwood High School Orchestra enjoyed a very successful year. Among their many activities were a combined Junior-Senior High School concert, an exchange with Somerset, and the Pops Concert. The group ended the year by participating in the All-Town String Festival. Their hard work and enthusiasm showed in each of their performances.

The group also entertained at numerous dances, private parties, and concerts. As a result of extensive rehearsing and performing, the band has attained a near professional level of entertainment. The group plans to tour Ireland for seventeen days with the Mansfield High School Band. Look out Ireland, The Westwood High School Dance Band is on its way!

# GREEN YEARS

I was trying to write and then I found the greatest difficulty, aside from knowing truly what you really felt, rather than what you were supposed to feel, was to put down what really happened in action; what the actual things were which produced the emotion that you experience . . . The real thing, the sequence of motion and fact that made the emotion and which would be as valid in a year or in ten years or, with luck and if you stated it purely enough, always.

CLASS TRIP  
CRANE'S BEACH  
JUNE 1, 1977

Class Day was a memorable occasion, as many students were granted recognition in the areas of athletic and academic participation. Other awards were given to those students who showed great moral achievement. The ceremony was highlighted by the yearbook dedication to Mr. Walsh.

## CLASS DAY

# We'll show the world

GRADUATION  
JUNE 5, 1977

"We share common values from the past . . . common aspirations for the future, our future, and indeed the future of all mankind."

—John F. Kennedy

# A Happy Ending

"Never let success hide its emptiness from you, achievement its nothingness, toil its desolation. And so . . . Keep alive the incentive to push on further, that pain in the soul which drives us beyond ourselves.

Do not look back. And do not dream about the future, either. It will neither give you back the past, nor satisfy your other daydreams. Your duty, your reward—your destiny—are here and now."

—Dag Hammarskjöld
